### JOKE

### Avid Golfer:

Jim was 26 over par by the eighth hole, had landed a fleet of golf

balls in the water hazard, and dug himself into a trench fighting his way out of the rough, when his caddy coughed during a 12-inch putt. Jim exploded! "You've got to be the worst caddy in the world!" he screamed.

"I doubt it," replied the caddy. "That would be too much of a coincidence."
